

DUE TO POPULAR DEMAND WE HAVE DECIDED TO RUN ANOTHER MADALAS THIS YEAR

What is Mountain Madalas?

Just the best enduro routes possible, in the best places in our beautiful country - no racing, no pressure, just good clean fun with friends and families. Aimed at mature riders who have come to appreciate a quality ride rather than just race pace. The route will be approximately 35 km's per lap, nothing extreme, but something for everyone & lots of fun.

Various route options and sections will be available to accommodate ability levels, each with different points values. Based on points scored you will be awarded either a Bronze, Silver or a Gold Madalas medal.

Too Young to be a Madala? New Rider?

No problem, you're welcome to ride with us old codgers ... as long as you can stand listening to the stories of how fast we were when we were your age. There will be a shorter, Green route as well. Cut off times will be decided on the day.
